Pierce County
Planning and Land Services
2401 South 35th Street
Tacoma, Washington 98409

Position: Planner 2

I applied independent judgment in the administration of zoning, shoreline and other regulatory ordinances, State and Federal regulations and environmental analysis as related to land use and shoreline actions such as subdivisions, shoreline development permits, conditional use permits and variances. My work involved extensive interaction with the public in person, on the phone and in writing. My duties included, but were not limited to, research for, and preparation of, oral and written reports for presentation to various advisory commissions, the hearing examiner, planning commission and county council. I conducted site visits and field investigations relating to applications and enforcement issues I was processing. I acted in a code enforcement capacity, prepared informational handouts as needed and prepared ordinance amendments. I interacted with various state and local agencies in the gathering of data for analysis and incorporation into reports and presentations.

Island County Planning Department
P.O. Box 5000
Coupeville, Washington 98239

Position: Associate Planner

I reviewed and approved permit and plat applications. My work involved considerable public contact in providing information and technical data. My duties included the preparation and presentation of oral and written reports to the hearing examiner, board of commissioners and planning commission. I reviewed and approved administrative site plans, plat alterations, certificates of zoning compliance, short plats, waterfront setbacks and boundary line adjustments and verified their conformance with county and state regulations. I conducted field investigations relating to planning issues including wetland identification and performed a variety of tasks such as graphics preparation, data gathering and fact analysis. I offered assistance to the planning director as needed; and acted as the State Intergovernmental Review Coordinator.
