

# Anatomy of a Real Property Parcel Number

## PLATS & CONDOMINIUMS START WITH "S"

## "METES & BOUNDS" START WITH "R"

**DASHES MUST BE INCLUDED  
IN PARCELS BEGINNING WITH  
AN "S" OR AN "R"**

NOTE: All Property **Not In A Plat or a Condominium** is measured in Ranges from the Willamette Meridian.  
 A Range = 6 miles.  
 A Township is 6 miles square.  
 A Section is one mile square.  
 There are 36 Sections in a Township.

## MFG HOMES START WITH "M"

NOTE: If a **Manufactured Home** is located in a park, the first number following the "M" will be a "9."  
 The "M" designation is **ONLY** for the manufactured home itself, not the land. When the land and manufactured home are owned by the same person, the manufactured home will generally be valued with the land and the manufactured home account will be inactivated.
