

ISLAND COUNTY PLANNING COMMISSION
COMMISSIONERS HEARING ROOM
COUPEVILLE, WASHINGTON
9:00 A..M. TUESDAY, OCTOBER 10, 2006

AGENDA

- A. Roll Call
- B. Planning Director's Report
- C. Unfinished Business – Public Hearing (continued from 9/27/06)

County Wide population projections & allocations/UGA's

Public Meeting -

Dr. Paul Adamus will be presenting the Phase II Wetlands Report to the Planning Commission and public. Dr. Adamus is a wetland scientist who has been retained by Island County for the purposes of assisting Planning and Community Development in reviewing and updating its wetland regulations. The Phase II report is the second report that Planning & Community Development will be preparing and presenting with Dr. Adamus' assistance. Phase II consists of a review of the best available science as it pertains to wetlands in Island County and a review of existing wetland regulations.

- D. New Business
- E. Adjourn
