DATE: May 8, 2015
SUBJECT: 2016 Comprehensive Plan Update – Formal Review & Scope of Work

Island County Planning & Community Development staff presented the Public Participation Summary and Draft Scope of Work to the Commission at its April 27, 2015 Public Hearing. The hearing was continued for discussion to May 11, 2015. Since the April public hearing, staff presented these documents to the Board of County Commissioners at a work session on April 29, 2015. Based on feedback from the Board, staff has made a number of revisions to the recommendation table. Staff has also drafted ten specific goals for the Comprehensive Plan update, which simplify the recommendations by drawing attention to the core objectives of the update effort.

Attached are the Findings of Fact, Project Goals, Revised Formal Review Table and Public Participation Summary Documents to support a Planning Commission decision. If you have any questions regarding the materials included in the packet, or general information about the process, please feel free to contact the Planning Department.
