AGENDA

Roll Call; Approval of Minutes; Items from the Public; Director’s Report

Old Business – 2016 Periodic Review – Population Projection
   Continued discussion of the research supporting the selection of an OFM population projection. Island County will incorporate a 20 year population projection into the County’s Comprehensive Plan to manage future growth and development.

New Business – Introductory Discussion
   Countywide Planning Policies and an overview of upcoming work on revisions to the Policies.

Please visit our website for related documents and further information about the Comprehensive Plan Review Process. The public is invited to comment on planning documents by submitting comments in writing to Planning & Community Development at PO Box 5000, Coupeville, WA 98239.
