

Freeland Development Regulations

Detailed Schedule

All meetings are in the evening at Trinity Lutheran Church

May 14th – Joint Steering Committee and Sub-Committee Meeting

6:30 to 7:00 Introductions and Explanation of Objectives, Schedule and Process

7:00 to 8:00 Steering Committee

Topic:

- Allowed/Prohibited Uses and Zoning Standards. We will discuss philosophy (specific codes vs. general codes) and provide examples of other jurisdictions.

Goal:

- *Provide staff with some initial direction on the preferred style of codes (specific vs. general)*

8:00 to 8:30 Sub-Committees

Topic:

- Issue Introductions. Sub-committees will convene in small groups and go through introductions

Goals:

- At each table will be a “topic sheet” which will have a detailed list of questions, objectives, tasks, guidelines, goals, etc. related to their specific subject. Sub-committees will go through the list together.
- Sub committee members will start to define roles of sub-committee members (chair, note taker for meetings, assigning members to be a lead in addressing the issues on the topic sheet.).
- Sub committee members will start to talk about schedules and meeting frequency
